Subject: TRANS- Huntsville, AL, Kingsport, TN & Etters, PA to Conesus, NY & Brunswick, ME-
March 13-15. 2015

PLEASE CROSS POST

Princess is a 7YO orange & white spayed female Brittany (40#) who needs transport from her temp foster home in AL to her NBRAN-approved & screened foster home in NY. She is UTD on all immunizations, HW- & healthy. She is generally friendly to people & other dogs, but is a bite risk (not severe, but need to use caution), so we are sending her in a crate (dimensions - ???). She is also on anti-anxiety meds to keep her calm. She likes men better than women. She will travel with leash, collar, vet records & a health certificate. Pls hold tight as she is a flight risk.

Cyrus is a 12YO orange & white ?? neutered male Brittany (??#) who needs transport from his temp foster home in TN to his NEBR-approved & screened foster home in ME. He is UTD on all immunizations, HW- & healthy. He does not hear well. He is friendly to people & other dogs. He will travel with leash, collar, vet records & a health certificate.

Dash is a 1YO orange & white neutered male Brittany (??#) who needs transport from his temp foster home in PA to his NEBR-approved & screened foster home in ME. He is UTD on all immunizations, HW- & healthy. He is friendly to people & other dogs. He will travel with leash, collar, vet records & a health certificate.

Rescue responsible for Princess - National Brittany Rescue and Adoption Network (www.nbran.org)
President - Sue Spaid)

Rescue responsible for Cyrus & Dash - New England Brittany Rescue (www.nebrittanyrescue.org)
President - Christine Leachman-Yee)

If you can help our Brittany's to get to their foster or forever homes, please contact Nancy Walker directly.
